DÉCOR

THE WORLD IS YOUR STAGE

Innovative and creative ideas for every kind of wedding event...

Majestic Mendhi

For a colourful pre-wedding celebration, opt for a themed stage with unique decorative touches. Props add character and appeal; go for a traditional peacock, piles of rich fabrics and ethnic cushions for an authentic touch.

Beautiful Boudoir

Designed with the fashionable bride in mind, this glamorous velvet stage is made in on-trend colours of gold and purple. You'll feel like royalty seated on the vintage chaise longue which is so desirable you may be tempted to take it home!

Modern Romance

The classic colours of white and red are perfect for an elegant registry. With its minimalist appeal, this is a set-up for contemporary couples who like chic design. Filled with the glow of real candles and fresh flower rose walls, it works for evening and daytime events.

Rainbow Bright

Popular for your main wedding day, mendhi or even walima, this is a vibrant and bold stage that can be customised to your preferences. Add flower canopies, cushions or props to bring it to life. Sparkling fairylights add the finishing touches.
